

4. (10) If a lab is due on May 2nd at 8:00 AM, but the student submits the work at noon on May 7th, what percent late penalty will the lab receive?

-60%

2nd 3rd 4 5 6 7
8am 0
12pm -10 -10 -10 -10 -10

5. (10) What happens to the points earned from demonstrating the functionality of a task if the code is not submitted?

No points will be awarded.

6. (30) Write the following statement:

I have read the Michigan Technological University Academic and Community Conduct Policy, EE 3171 Lab Policies and Syllabus. I agree to follow all rules and guidelines provided. I understand that if I violate any of the policies or rules I may lose points or be referred to the Academic and Community Conduct Board to be reviewed for other sanctions, which may in some cases result in suspension or expulsion.

AND sign your name at the end.
